

PEDICAB LICENCING INFORMATION PACKAGE

All Pedicabs operating in the City of Vancouver are required to be licensed under the Vehicles for Hire By-law #6066.

Pedicab requirements, are outlined in the Vehicles for Hire Bylaw #6066 Sections 7 & 20 at: <https://bylaws.vancouver.ca/6066c.PDF>

The Vehicles for Hire Bylaw defines two types of pedicabs as:

“Pedicab”, which means a 3-wheeled vehicle propelled solely by the foot power of the operator and capable of carrying no more than 2 passengers in addition to the operator.

“Motor Assisted Pedicab”, which means a 3-wheeled vehicle propelled by foot power of the operator and motor assist, and capable of carrying no more than 2 passengers in addition to the operator. (See page 2 for ICBC requirements for Motor Assisted Cycle.)

Licensing Requirements:

1. Pedicabs are subject to licensing and inspection by the Licences and Inspections staff, prior to being allowed on the street.
2. Applicants must be 19 years of age or older.
3. No more than **60 Pedicab licences** will be issued in the City of Vancouver.
4. All Pedicab operators are required to obtain a Vehicle for Hire Licence from the Licences and Inspections Department. See Schedule "A" of the bylaw for the amount per pedicab, per calendar year.
5. No person shall operate any pedicab on any street marked with lane lines or directional dividing lines, between the hours of 7:00 am to 9:30 am and 3 pm to 6 pm, Monday through Friday.
6. No person shall operate any pedicab on the Burrard Bridge, the Granville Bridge, the Cambie Bridge, the Dunsmuir Viaduct, the Georgia Viaduct or on Georgia Street between Cardero & Chilco streets.
7. All Pedicab operators must comply to the routing map listed in Schedule B of the Vehicles for Hire Bylaw.
8. All Pedicab operators must hold a minimum \$2,000,000 valid liability insurance coverage pertaining to the pedicab and is subject to approval of the Director of Risk Management.
9. Pedicabs or Motor Assisted Pedicabs must be equipped with:
 - rear hydraulic brakes and front V-brakes or another braking system approved by the inspector
 - front headlight/rear tail lights and rear flashing light (for night time operations)
 - turn signal lights and standard bell
 - reflectors on wheels and carriages & rear bumper or similar protection
 - rear mud flaps or similar protection
 - first aid, repair kit and 6' safety flag (unless rooftop design exceeds 6')
 - Business name and identification number painted or permanently affixed, in figures at least 5 cm high, on each side and to the rear of the pedicab which uniquely identifies each pedicab

10. All Pedicab operators must have the brakes of each pedicab inspected at least annually by a bicycle repair shop that has a current business license issued by a municipality, and promptly undertakes any repair or maintenance to the brakes disclosed by such inspection.
11. All Pedicab operators must retain the records of any inspection, repair, or maintenance for at least 2 years, and makes these records available to the Inspector.
12. All Pedicab operators must inspect the brakes and other safety equipment each day prior to operating the pedicab and make adjustments if necessary.
13. The displaying of third party advertising (as defined in Section 2 of the Sign By-law) is only allowed in an area on the rear of the pedicab that must not exceed 0.45m².
14. The current Vehicle for Hire plate must be displayed at the rear of the pedicab, as well as the owner/operator must have a current business licence. The licence **cannot** be transferred to other individuals.
15. All persons operating pedicabs must obtain a Pedicab Lessee licence from the Licence and Inspections Department, and pay an annual fee as stated in Schedule A of the bylaw.
16. All operators must carry current photo identification that includes the person's name, address, and date of birth.
17. All drivers must obey all provisions of the **Street and Traffic By-law #2849** and all provisions of the Motor Vehicle Act (normally those applicable to the definition of a vehicle).
18. All drivers must **not** stop to load/unload passengers in any location which would disrupt traffic. When parked, they **must** pay at parking meters and must not park in any restricted zones identified for other vehicles.
19. Pedicab licenses expire and must be renewed by December 31st annually. Operators have until **February 2nd** of each year to renew their licences and if not renewed by this time, they become available on a first come, first service basis.
20. An owner of a pedicab must demonstrate, at the request of the Chief Licence Inspector, that the pedicab is available for transporting passengers.
21. An owner of a pedicab must ensure that parking, storage and maintenance of the pedicab occurs only on private property (as approved by Zoning and Building departments), except for parking on streets in accordance with other by-laws during business hours while waiting for customers.

ICBC Requirements for Motor Assisted Cycles (MAC)

In order to qualify as a MAC, certain conditions must be met. For example:

- the electric motor must be 500 watts or less and be capable of propelling the cycle no faster than 32 km/h on level ground without pedalling
- it must be equipped with a mechanism that either: allows the driver to turn the motor on and off, or prevents the motor from turning on or engaging before the MAC attains a speed of 3 km/h
- the motor must disengage when the operator does at least one of the following: stops pedalling, or releases the accelerator, or applies a brake
- the motor cannot be gas-powered
- it must be capable of being propelled by muscular power using the pedals, but it is not necessary to always be pedalling
- it must meet any additional conditions set forth in the Motor Assisted Cycle Regulations (B.C. Reg 151/2002)

NEW PEDICAB OPERATORS - NEW APPLICATIONS

1. Complete and submit the Vehicle for Hire Application Form along with copies of:
 - ☐ Owner/directors photo identification ie. BCDL or BCID; and
 - ☐ A copy of the BC Certificate of Incorporation with the Notice of Articles
(if applicable)
2. All owner(s)/directors must obtain a Police Information Check (PIC) from the Vancouver Police Department, located at 2120 Cambie Street. **The original certified copy of the PIC must be submitted to the Vehicle for Hire Inspector.**
3. You must obtain Zoning & Building Approval for all Vancouver commercial addresses either for the business office or for the storage of vehicles.
Note: If operating at a Residential Address (home office), you must complete Part 3 of the Vehicles for Hire Application Form. Vehicles must be parked or stored at an approved lot/site address.
4. A minimum of \$2,000,000 liability insurance coverage pertaining to the Pedicab and is subject to the approval of the Director of Risk Management.
5. Provide a Brake Inspection Report from a licensed Bicycle Repair Shop for each Pedicab.
6. A Vehicle Inspection will be scheduled with the Vehicle for Hire Inspector once all the approvals have been met. **A Vehicle for Hire Plate with a valid decal is required to be displayed at the rear of each Pedicab.**

PEDICAB LESSEE LICENSE

Drivers operating a Pedicab must obtain a Pedicab Lessee Licence from the Licence & Inspections Department. **Note: The Pedicab Operators Licence must be issued before any drivers will be issued a Pedicab Lessee Licence.**

- ☐ 1. Must provide current photo identification (i.e. BC Identification or Driver's Licence) that shows their name, DOB, and current address; **AND**
(Drivers must carry a valid ID at all times when operating a Pedicab).
- ☐ 2. A written authorization by the Pedicab company is required from each individual applying for a Pedicab Lessee Licence.

PEDICAB OPERATOR RENEWAL

Pedicab Licenses expire and must be renewed by **December 31st** annually. Operators have until **February 2nd** of each year to renew their licences and if not renewed by this time, they become available on a first come, first service basis.

Note: No more than 60 Pedicab licences will be issued in the City of Vancouver.

- Must submit a copy of Brake Inspection Report from a licensed Bicycle Repair Shop and the Renewed Liability Insurance Policy.
- All pedicabs are required to be inspected prior to renewal.
